## *Parent Volunteer Opportunities*

One of the roles of our school and the Lutheran Parent Teacher League is to enrich the academic and social life within the school and community through fellowship and fundraising. To accomplish this we need everyone to get involved. Even if you haven't been involved in the past, it's never too late to start. We hope you will review the opportunities below and find one that is right for you. Please indicate with an X what you are interested in.
